**Subject:** 2019 IJ training program: tentative dates  
**Date:** Friday, June 29, 2018 11:36:27 AM

---

All,

We are aiming for the week of (b) (5) for next year's immigration judge annual training program. The location is still to be determined but we anticipate it (b) (5). While we expect those dates to remain firm, given that we're nearly a year away we don't recommend making any docket adjustments right now. However, we wanted to get these dates to you as early as possible for your use in planning. We will provide updates as we receive them.

**Christopher A. Santoro**

Deputy Chief Immigration Judge
